AUSEINANDERSETZUNGEN MIT DEM TEMPO DER MODERNE IN DER EXPRESSIONISTISCHEN LYRIK

Die Überfülle des Erlebens (1925)

VON KURT PINTHUS

Welch ein Tremor der von dieser ungeahnten Ungeheuerlichkeit in uns selbst  
seit einem Jahrzehnt auf unsere Sinne niedert! Trotz dieser schon erhobenen keiz-  
barkeit wie die Muskulatur eines Boxers gegen die schärfsten Schläge. Wie  
erregte früher ein Mordprozess i. d. Welt, wie wurde das Schicksal jedes  
Raubmörders oder Räuberbandenführers mit febriler Spannung von ganz  
einer Seite von Massenmördern verfolgt, deren jeder in der Ruhe mühen in der  
Welt nur ein paar Dutzend Menschen abgeschlachtet hat. Man muß sich zum  
Vergleich nur aus, wie ein Zeitgenosse Goethes oder in Mensch des Biedermeier  
seinen Tag in Stille verbrachte, und durch welche Mengen von Lärm, Erregungen  
Anregungen heute jeder Durchschnittsmensch täglich sich durchschlagen muß.  
mit der Hin- und Rückfahrt zur Arbeit, mit dem gefährlichen Kampf mit der  
Verkehrsmittel in stehenden und auf der Straße, mit Telefon, Licht, Tausend  
nicht in Geraden und auf der Straße, mit Telefon, Licht, Tausend  
drehen und drehen, hat die ersten Autos erblickt, hat die ersten elektrischen  
Bahnen zu fahren begonnen, hat die ersten Autos erblickt, hat die ersten elektrischen
